VOLUNTEER NEWS

What's Happening

A big thank you to all that have responded to our call for volunteers for the new **Seniors Phone Shopping Program** that will soon be coming to North Delta. We are planning to run this program out of the Sunshine Hills Safeway every Tuesday morning from 8:30 to 11:30. We will soon be holding an information session for volunteers and will be contacting all those that have responded as well as inviting all interested parties.

We have found a **Volunteer Client Satisfaction Phone Surveyor**. This position will take place in our North Delta office. We are still looking for another volunteer to assist with this project. We are more than willing to create a suitable schedule for the right candidate.

We also have some ongoing
