NEW VOLUNTEER OPPORTUNITIES

Deltassist has new volunteer opportunities and is looking for help in these two new projects:

A new **Seniors Phone Shopping Program** will soon be coming to North Delta. The program will be running out of the Sunshine Hills Safeway every Tuesday morning from 9 to 11:30. We are looking for volunteers that can commit 3 hours one day per week to either take phone shopping orders or do the shopping. Come and become part of a fun and energetic team providing a necessary service to seniors that cannot get out to get their groceries.

We are also looking for a **Volunteer Client Satisfaction Phone Surveyor**. This position would take place in our North Delta office. We would create a suitable schedule for the right candidate.

Some of our dedicated Volunteers at the Deltassist Ladner office.

We also have some ongoing volunteer positions for:

- Seniors Phone Shopping program in Tsawwassen
- Volunteer Visitors
- Volunteer Drivers
- I&R Database Volunteer

For further information regarding any of these volunteer opportunities contact:
